

SECURITY SOLUTIONS BY SOLARIS

ABOUT SOLARIS

Solaris Technologies Services is a global technology company based out of Irving, Texas with a goal of keeping customers safe and connected. In 2017 Solaris became a preferred partner of Garrett Metal Detectors, a world-renowned company who leads the market in security products. This partnership was forged with the idea of creating the safest atmosphere for the customer with the most advanced metal detector technology.

FAST. RELIABLE. VERSATILE SECURITY.
